<p><i>Culinary Exploration: Passport to Flavor</i> June 2-4, 9-11, 16-18, 23-25 Ages 11-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Downtown Center Join this hands-on culinary camp and explore global flavors! Young chefs will cook dishes like Spam fried rice, homemade tortillas, and ravioli while building skills in teamwork and creativity. Safe knife use and culinary techniques will be taught—perfect for aspiring food enthusiasts!</p>
<p><i>Ecology of the San Pedro</i> June 2-5 Ages 12-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Explore the San Pedro River’s ecosystem in this hands-on course! Collect and identify aquatic insects, analyze ecological data, and assess river health through invertebrate composition. This camp includes a field trip for insect collection—perfect for budding scientists!</p>
<p><i>Adventures in Game Design</i> June 9-12 Ages 11-16</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Create your own game in just one week! Work in teams to design characters, solve challenges, and build a side-scroller or scrolling shooter while mastering coding, game design, and essential skills.</p>
<p><i>Fun With Ceramics</i> June 9-12 Ages 11-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Discover the art of hand-built ceramics in this hands-on summer camp! Campers will explore clay techniques, create unique projects, and finish them with vibrant glazes before firing in the college kilns.</p>
<p><i>Genetic Adventures: Extracting DNA Together</i> June 9-12 Ages 13-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Explore genetics and AI in this hands-on summer camp! Extract DNA, analyze genes with PCR, use AI for species identification, and take a field trip to the San Pedro River for birdwatching and data collection.</p>
<p><i>Music Exploration: Intro to Classical Guitar</i> June 9-12 Ages 11-14</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Learn to play classical guitar in a fun and supportive camp! Perfect for beginners and those with some experience, you'll develop technique, read music, and explore pieces by Beethoven, Mozart, and Bach—guitars available on a limited basis.</p>
<p><i>Creative Writing: Using AI in the Writing Process</i> June 16-18 Ages 11-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Explore AI-assisted creative writing in this four-day summer course! Learn to use AI for brainstorming, character development, world-building, and editing while blending traditional storytelling with cutting-edge technology.</p>

<p><i>Woodworking Exploration: Derby</i> June 16-18 Ages 11-14</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Bring your creativity to life by designing, assembling, and racing your own hand-sized soapbox car! Perfect for all skill levels, this camp teaches tool safety, teamwork, and design principles through hands-on building and friendly competition.</p>
<p><i>Get to Know Your Car</i> June 23-26 Ages 14-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Just got your license? Spend a week learning essential car maintenance—like changing a tire, checking fluids, and more—in a state-of-the-art facility with expert instruction from James Krause!</p>
<p><i>Music Exploration: Elevate Classical Guitar Skills</i> June 23-26 Ages 11-16</p>	<p>Time: 8 A.M. – 12 P.M. Location: Sierra Vista Campus Take your classical guitar skills to the next level in this camp designed for students who have taken the Intro to Classical Guitar Camp or who can already read music/have some experience. Explore challenging pieces by composers like Elizabeth Cotton and Robert Johnson in a supportive, fun environment—limited guitars available, so bring your own if possible.</p>
<p><i>Health and Fire Science Exploration</i> June 23-25 Ages 11-18</p>	<p>Time: 8 A.M. – 12 P.M. Location: Downtown Center Explore healthcare and emergency services in this hands-on summer camp! Learn CPR, first aid, wound care, and fire science while using advanced equipment—high schoolers earn a two-year AHA CPR certification, and middle schoolers receive a participation certificate.</p>
